Description

TUROK SON OF STONE Dell Four Color 656 from 1955 in Overstreet Good+.

Cover is fairly clean and glossy. Pages are off-white and supple. Cover firmly attached with some creases visible in scan. Modest spine roll.

This is the second and last Four Color appearance of Turok before he got his own title.

Many comic books have featured dinosaurs and cave men, but *Turok* was always the best with spectacular painted covers and atmospheric interior artwork to match. In these early issues "Lost Valley" was called "Sunken

Valley."

You can sell an option on your first born child to raise the money to buy this book at a comic book show, or you can steal it here for lunch money.

Buyer pays 3.20 Priority Mail or 2.00 bookrate postage.

International bidders email me for correct postage.

Refunds for purchase price only, not for postage.

Details for the seller and high bidder(s):

The seller should contact the winning bidder(s) with information on the total cost, including shipping, and where to send payment. The winning bidder(s) must pay the seller directly for the item(s), and it is the seller's responsibility to fulfill the order when payment terms are met. The binding contract of the auction is between the winning bidder and the seller.

If the seller is unable to establish contact with the high bidder within 3 business days of the end of the auction, he/she may lose the place as winning bidder, and be at risk for receiving negative feedback and/or a [Non-Paying Bidder](#) warning, both of which can ultimately lead to suspension from eBay.
