### Description

TUROK SON OF STONE Dell Four Color 656 from 1955 in Overstreet Good+.

Cover is fairly clean and glossy. Pages are off-white and supple. Cover firmly attached with some creases visible in scan. Modest spine roll.

This is the second and last Four Color appearance of Turok before he got his own title.

Many comic books have featured dinosaurs and cave men, but *Turok* was always the best with spectacular painted covers and atmospheric interior artwork to match. In these early issues "Lost Valley" was called "Sunken Valley."

You can sell an option on your first born child to raise the money to buy this book at a comic book show, or you can steal it here for lunch money.
