## Alexander The Great Jul 1961

Letterboxed

1955. Richard Burton, Fredric March, Claire Bloom.

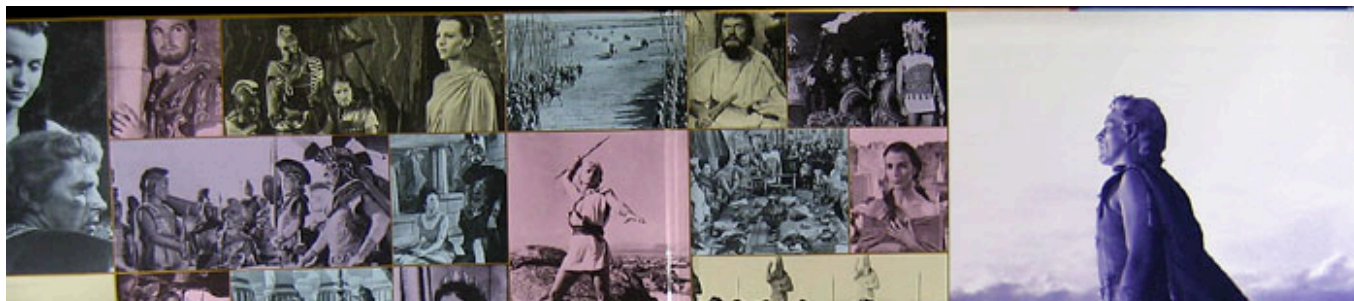

Surprisingly accurate history of the Macedonian king. Unlike the recent Oliver Stone flop, you don't have to look at any guys kissing each other.

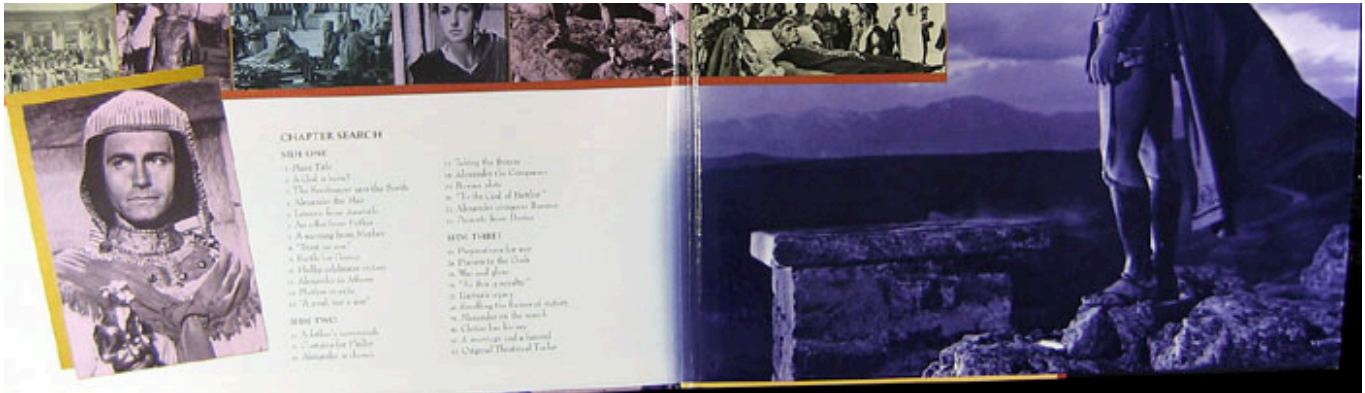

All of the laser discs I'm offering for the next several weeks are from my personal collection. I collected mostly classic, pre-1975 movies. If you like those type of movies, keep an eye on my auctions. I used Mylar plastic sleeves to store my discs so the outer jackets are all in Near Mint or Mint condition unless noted. The Mylar sleeve is included with the disc. The discs themselves all played perfectly a few years ago when I last watched them.

If there are any problems you may return the disc for a refund under the conditions noted.
